

# Coverplast® Classic

Secure adhesive wound dressing.

**Stretches with every  
movement.**

# Coverplast® Classic

For flexible comfort that stretches with every movement, Coverplast® Classic is a strong and durable dressing that protects and cushions the wound, providing the practical answer to everyday minor injuries. Coverplast® Classic is especially practical and economical because it is available also in metre rolls of different widths that can be cut to size. It remains securely in place due to the use of a traditional rubber adhesive.

## Dependable adhesion:

- Good and lasting fixation by strong rubber-based adhesive.

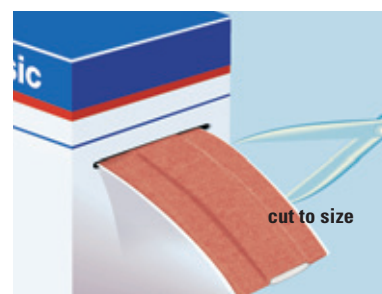

The right size for any wound.

## Other characteristics:

- Robust and durable
- Substrate made from 100% cotton
- Unique twisted weave provides superior stretch properties
- Breathable
- Low adherent wound pad, laminated with a high-density polyethylene net
- Practical and economical

Coverplast® Classic sticks firmly without adhering to the wound.

Firm adhesion, cut to size: Coverplast® Classic.

## Presentations:

- Metre rolls in 3 widths
- Non-serile dressings, individually sealed
